

# HIGH SCHOOL INTEGRATION

The HIGH-SCHOOL INTEGRATION program is a wonderful chance for all students to have a short experience of the French culture, improve their French and discover the life of a French high school.

The students will have the opportunity to improve their French language skills by sharing the life of a welcoming volunteer French host family.

Students will be placed in a French high-schools and follow the French curriculum just like any other French pupil.

## Deadline

- **2 months** before the arrival

## Location

Most of host families live in rural or country side outside of major cities. With good bus or train connection, students will reach quickly and easily high-schools and cities.
